

# *Leo Ladage is a spry 86 year old who loves living at Symphony Kanata!*

Dad chose to live at Symphony Kanata because the big house he originally lived in was too much upkeep, and after his wife passed in 2015 it was lonely and empty. He was looking to make new connections and to be able to relax in his senior years. He really enjoys his apartment with the nice little balcony. The staff are wonderful and the food is delicious. The outings and activities are great as well.

Leo Ladage has lived at Symphony Kanata for a few years in our Oasis Assisted Living neighborhood. He is a spry 86 year old who is turning 87 in September. For the better part of his life he has been an Ottawa native, living in Westboro at first and then moving to Kanata in his later years.

His family is proud of the life that Leo built as an immigrant from Germany who came to Canada as a very young man. He worked hard and dedicated his career to OC Transpo, met and married a beautiful woman named Inge, and raised three wonderful children. The thing that makes Leo most proud is the success of his family which includes three children, three grandchildren, and two great grandchildren.

Leo's only advice would be to work hard, live honestly, and cherish your loved ones!

His family says that he is always there for them, no matter what they need. He is always a strong and steady influence in their lives. His sense of humour and the sparkle in his eye are what makes him so special.

One wish that Leo's family has for him is to have a long, happy, and healthy life with the love of his family.
